

U.C. Ringuer

Die Spuren von Byzanz (The traces of Byzantium)

Fiction, book in progress

Professor Cariello flees to Istanbul after an argument with the university rector. Soon, however, he finds himself involved as a hostage in an attack by fundamentalists in the Hagia Sophia. The only way to safety is through the dungeons of Byzantium. Will the Professor be able to find the secret cistern believed lost forever? And will he be able to solve the mystery surrounding the relic of Jesus Christ once exhibited in the Hagia Sophia? Terrorists are also on its quest...

U.C. Ringuer Born in Germany but Parisian by adoption, U.C. Ringuer is a renowned archaeologist who has also established herself as a writer of historical thrillers thanks to her expertise in history and science and her skill in detective writing. Her books are based on real facts from the projects she has taken part in around the world, and draw on the author's sound knowledge as an expert in the field of archaeology and investigative journalism.
