A family has just moved. Right next to a cemetery, of all places! The neighbors are as creepy as the cemetery: they're unusually pale or horribly hairy, or they wander around all day with conspicuous accessories like witches' brooms.

The story really gets rolling when these creepy neighbors try to drive the family out. Good thing this family has two kids who aren't going to stand for it: because they're not afraid of anything – least of all their weird new neighbors!
