One day a strange bird appears in the forest where Hare and his friends live. It turns out to be Paradisebird and she's from the city. She thinks everything in the forest is amazing and she can't stop snapping photos with her smart-phone. Hare thinks it's a bit weird, but he always enjoys making new friends, so he decides to give Paradisebird a tour through the forest.

But then more and more animals from the city start to arrive. And not all of them take good care of the forest... Can Hare and his friends solve all the problems and save the forest?
