**NEW IDEAS FROM DEAD ECONOMISTS: The Introduction to Modern Economic Thought, 4<sup>th</sup> Edition**

Business/Economic History | **Dutton** | First published in 1989; revised in 2007 and 2021

**“If you read only one economics book this year, read this one.”**

—Larry Summers, secretary of the Treasury under President Clinton, director of the National Economic Council under President Obama

Now in its fourth edition, this entertaining and widely praised introduction to great economic thinkers throughout history includes updates and commentary on the 2020 “great cessation,” Trump and Obama economic policies, the dominance of Amazon, and many other timely topics.

Through the teaching of Adam Smith, Thomas Mathus, Karl Marx, John Maynard Keynes, Milton Friedman, and more, renowned economist Todd Buchholz shows how age-old ideas still apply to our modern world. Now with fascinating insights on the most relevant issues of 2021—climate change, free trade debates, the refugee crisis, growth and conflict in Russia and China, game theory, and behavioral economics—this is a riveting guide to understanding both the evolution of economic theory and our complex contemporary economy.

**Todd Buchholz** is an internationally acclaimed economist and author. He has served as director of economic policy at the White House and managing director of the legendary Tiger investment fund. He has taught economics at Harvard University, where he was awarded the Allyn Young Teaching Prize by the Department of Economics; served as a Fellow at Cambridge University; and holds advanced degrees in economics and law from Cambridge and Harvard universities. He is the inventor of the Math Arrow matrix, and his writing has appeared in the *Wall Street Journal*, *The New York Times*, and *Forbes*, among other publications.

**YOUR GRIEF, YOUR WAY: A Year of Practical Guidance and Comfort After Loss**  
Self-Help/Grief | Zeitgeist Trade Paperback | Published in 2020

Everyone experiences grief differently after the loss of a loved one. Some people find solace in comforting quotes and warm words, while other feel a need to take action to do something to memorialize their loss. And some benefit from both approaches. Here’s a path forward for you, no matter how you process your grief. Whether you’re looking for inspiration, a practical way to honor your loved one, or both, YOUR GRIEF, OUR WAY helps you navigate life after loss.

**Shelby Forsythia** is the author of *Permission to Grieve* and the podcast host of *Coming Back: Conversations on Life After Loss*. After the unexpected death of her mother in 2013, she became a “student of grief” and set out on a lifetime mission to explore the oft-misunderstood human experience of loss. Through her books, weekly podcasts, and one-on-one grief guidance, she helps grieving people find direction, get support, and cultivate radical self-compassion after devastating loss. Her work has been featured in *Huffington Post*, *Bustle*, and *The Oprah Magazine*.

**CHAKRAS & SELF-CARE: Activate the Healing Power of Chakras with Everyday Rituals**  
 Self-Help | Zeitgeist Trade Paperback | Published in 2020

The key to optimal health and well-being is within us, in powerful energy centers call chakras. Ancient cultures understood the sacred healing power of chakras and that self-care aligned with nature. In CHAKRAS & SELF-CARE, you'll engage in a series of meditative exercises that activate and balance each of your seven main chakras. Reiki master and wellness expert Ambi Kavanagh also offers daily and seasonal rituals to show us that true prevention not only comes from the ways we care for our bodies, but the ways we spend our energy.

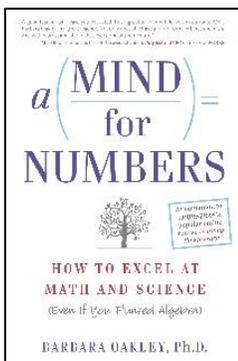

**Ambi Kavanagh** is a Reiki master, astrologer, sound healer, life coach, and host of the podcast *Alchemy with Ambi*. With a unique focus on using astrological cycles and the seasons as a form of coaching, she considers herself a modern-day alchemist who serves as a catalyst for positive change in people's lives. Over the years, Kavanagh has performed thousands of her signature chakra-balancing Soulstrology Soundbaths and was recommended by *Vogue* as the "go-to soundbath" in Los Angeles.

**THIS IS YOUR BRAIN ON MUSIC: The Science of a Human Obsession**  
Psychology/Music Philosophy | Dutton | Published in 2006

**“Endlessly stimulating, a marvelous overview, and one which only a deeply musical neuroscientist could give....An important book.”**

—Oliver Sacks, M.D.

In this *New York Times*-bestselling groundbreaking union of art and science, rocker-turned-neuroscientist Daniel J. Levitin explores the connection between music—its performance, its composition, how we listen to it, and why we enjoy it—and the human brain. Drawing on research and musical examples ranging from Mozart to Duke Ellington to Van Halen, Levitin poses that music is fundamental to our species, perhaps even more so than language.

**Daniel J. Levitin, Ph.D.**, is a neuroscientist, cognitive psychologist, and *New York Times* bestselling author. He is Founding Dean of Arts & Humanities at the Minerva Schools at KGI in San Francisco, and Professor Emeritus of psychology and neuroscience at McGill University. In addition to THIS IS YOUR BRAIN ON MUSIC, he is also the author of several titles published by Dutton, including *A Field Guide to Lies* (2016), and *Successful Aging* (2020).

**COMMUNION WITH GOD: An Uncommon Dialogue**  
 Religion | TarcherPerigee | Published in 2000

In COMMUNION WITH GOD, Neale Donald Walsch discovers how to elevate friendship with God to a state of communion. He reveals The Ten Illusions of Man—the misconceptions we hold about ourselves, our world, and our God and describes with striking clarity how we can heal the divide that has arisen from these illusions.

**Baniel, Anat**  
**KIDS BEYOND LIMITS: The Anat Baniel Method for Awakening the Brain and Transforming the Life of Your Child With Special Needs**

Parenting/Children with Special Needs | TarcherPerigee | Published in 2012

**“Kids Beyond Limits gives parents and others who care for special children new hope and a new sense of possibilities.”**

—Arianna Huffington

In this supportive and hands-on book, Anat Baniel guides parents of children who have been diagnosed with autism, Asperger’s Syndrome, ADHD, Cerebral Palsy, or other developmental disorders. By shifting the focus to connecting rather than “fixing,” this powerful yet simple method helps both children and parents to de-stress, focus, and grow, and allows children to maximize their potential, no matter what their diagnosis.

**Anat Baniel** has established an international reputation for her work with special-needs children. She runs the Anat Baniel Center, a treatment facility in California that draws students and clients from all over the world.

**Saline, Dr. Sharon; Foreword by Laura Markham**  
**WHAT YOUR ADHD CHILD WISHES YOU KNEW: Working Together to Empower Kids for Success in School and Life**  
 Parenting | TarcherPerigee | Published in 2018

**“Short enough for a busy parent to actually read and use; utterly reliable and authoritative but never pedantic; wise, kind, and teeming with the chirping voices of children who have ADHD; this cornucopia of a book will feed you over and over again.”**

—Edward Hallowell, MD, bestselling author of *Delivered from Distraction*

In this insightful and practical book, veteran psychologist Sharon Saline shares the words and inner struggles of children and teens living with ADHD—and a blueprint for achieving lasting success by working together. Based on more than 25 years of experience counseling young people and their families, Dr. Saline’s advice and real-world examples reveal how parents can shift the dynamic and truly help kids succeed.

**Sharon Saline, Psy.D.**, maintains a busy psychotherapy practice working with children, teens, families, and adults with ADHD and other mental health issues. She has spoken at and conducted workshops nationally and internationally on ADHD and the adolescent brain.

**\*Almost 190,000 copies sold domestically\***

**“Dan Siegel and Mary Hartzell have quite deftly managed to translate highly complex neuroscientific and psychological matters into lay strategies for effective parenting.”**

—Marilyn B. Benoit, M.D., former president, American Academy of Child and Adolescent Psychiatry

Child psychiatrist Daniel J. Siegel, M.D., and early childhood expert Mary Hartzell, M.Ed., explore the extent to which our childhood experiences shape the way we parent. Drawing on stunning findings in neurobiology and attachment research, they explain how interpersonal relationships directly impact the development of the brain, and offer parents a step-by-step approach to forming a deeper understanding of their own life stories, helping them raise compassionate and resilient children.

**Daniel J. Siegel, M.D.**, is a clinical professor of psychiatry at the UCLA School of Medicine, co-director of the UCLA Mindful Awareness Research Center, and executive director of the Mindsight Institute.

**Mary Hartzell, M.Ed.**, is a child-development specialist and parent educator.
