THE MONSTERS KNOW WHAT THEY'RE DOING:
Combat Tactics for Dungeon Masters
Hardcover * October 2019

JRS
Nonfiction

From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle plans for Dungeon Masters. In the course of a Dungeons & Dragons game, a Dungeon Master has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their

field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.

Remy Pendergast is many things: the only son of the Duke of Valenbonne, an elite bounty hunter of rogue vampires, and an outcast among his fellow Reapers. His mother was a subject of gossip even before she eloped with a vampire, giving rise to rumors that Remy is half-vampire himself. Remy's father has been shaping him into a weapon to fight for the kingdom of Aluria his entire life, though hit barely tolerates him in return. When a terrifying new breed of vampire is sighted outside of the city, Rem prepares to investigate the mutating virus known as the Rot alone. But then he encounters the shockingly warmhearted vampire heiress Xiaodan Song and her infuriatingly arrogant fiancé, vampire lord Zidan Malekh, who may hold the key to defeating the creatures. As the three face dangerous hardships during their journey, Remy develops fond and complicated feelings for the couple. He begins to question what he holds true about vampires, as well as the story behind his own family legacy. As the Rot continues to spread, he must decide where his loyalties lie: with his father and the kingdom he's spent his life defending, or the vampires who might just be the death of him.

Fiction

A thrilling fantasy debut—a high-stakes heist novel set in a gritty world of magic and malice, and perfect for fans of *Six of Crows*! In just over a year's time, Ryia Cautella has already earned herself a reputation as the quickest, deadliest blade in the dockside city of Carrowwick—not to mention the sharpest tongue. But Ryia Cautella is not her real name. For the past six years, a deadly secret has kept her in hiding, running from town to town, doing whatever it takes to stay one step ahead of the formidable Guildmaster—the sovereign ruler of the five kingdoms of Thamorr. Ryia's path now leads directly into the heart of the Guildmaster's stronghold, and against every instinct she has, it's not a path she can walk alone. Forced to team up with a crew of assorted miscreants, smugglers, and thieves, Ryia must plan her next moves very carefully. If she succeeds, her freedom is won once and for all...but unfortunately for Ryia, her new allies

are nearly as selfish as she is, and they all have plans of their own. M.J. Kuhn is a fantasy writer by night and a mild-mannered university employee by day. She lives in the metro Detroit area with her husband Ryan, a dog named Wrex, and the very spoiled cat Thorin Oakenshield. You can find more information about M.J. online at MJKuhn.com.

BLACK SUN: Book #1 from Between Earth and Sky
Hardcover * October 2020

JM
Fiction

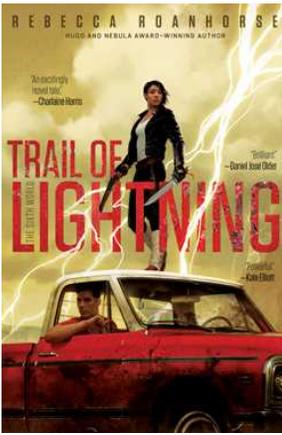

From *New York Times* bestselling author of *Star Wars: Resistance Born* comes the first book in the *Between Earth and Sky* trilogy inspired by the civilizations of the Pre-Columbian Americas and woven into a tale of celestial prophecies, political intrigue and forbidden magic. In the holy city of Tova the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial event proscribed by the Sun Priest as an unbalancing of the world. Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man's mind. Her ship carries one passenger. Described as "harmless" the passenger, Serapio, is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain.

Crafted with unforgettable characters, Rebecca Roanhorse has created an epic adventure exploring the decadence of power amidst the weight of history and the struggle of individuals swimming against the confines of society and their broken pasts in the most original series debut of the decade. Rebecca Roanhorse is the *New York Times* bestselling author of *Star Wars: Resistance Reborn* as well as the recipient of a Hugo, Nebula, and the Intrepid awards. She lives in northern New Mexico with her husband, daughter, and pug. Find more at rebeccaroanhorse.com and follow her on Twitter @RoanhorseBex. Only her latest bounty hunt has gone sideways, she's lost her only friend, Kai Arviso, and she's somehow found herself responsible for a girl with a strange clan power. Then the Goodacre twins show up at Maggie's door with the news that Kai and the youngest Goodacre, Caleb, have fallen in with a mysterious cult, led by a figure out of Navajo legend called the White Locust. The Goodacres are convinced that Kai's a true believer, but Maggie suspects there's more to Kai's new faith than meets the eye. She vows to track down the White Locust, then rescue Kai and make things right between them. With the aid of a motley collection of allies, Maggie must battle body harvesters, newborn casino gods and, ultimately, the White Locust himself. But the cult leader is nothing like she suspected, and Kai might not need rescuing after all. When the full scope of the White Locust's plans are revealed, Maggie's burgeoning trust in her friends, and herself, will be pushed to the breaking point, and not everyone will survive.

THE DAWNHOUNDS
Paperback * June 2022

AH
Fiction

The port city of Hainak is alive: its buildings, its fashion, even its weapons. After a devastating war and a sweeping biotech revolution, all its inhabitants want is peace. Yat Jyn-Hok, a reformed thief-turned-cop, patrols the streets at night, recently demoted on the force due to "lifestyle choices" after being caught at a gay club. She's barely holding it together, haunted by memories of a lover who vanished and voices that float in and out of her head like radio signals. On her shift one evening, Yat stumbles across a body, but before she can call it in, she's murdered by two fellow officers and dumped in the harbor. Unfortunately for them, she wakes up. Resurrected by an ancient power, she finds herself with the new ability to manipulate life force. Quickly falling in with the pirate crew who has saved her, she must race against time to stop a plague from being unleashed by an evil that has taken root in Hainak. Sascha Stronach is a tech writer by day and a fiction writer by night.
