“A unique spin on a classic and one wild ride!” —Gena Showalter, bestselling author of *Alice in ZombieLand*

On an island lives a boy called Peter and his band of merry lost boys, young forever. That is, unless they get sick or killed by pirates or eaten by crocodiles, or—inexplicably—they grow old. For some of them do grow old, and nobody knows why. One of these boys is Jamie, and he was the first that Peter brought to the island. Jamie’s lived there for longer than he can remember, and it’s not all fun and games. Peter thinks the boys are replaceable, that if one dies or grows up, then he can swap in another from the Other Place. Jamie looks out for the boys and takes care of them. He does everything Peter does not. He tries to keep them alive, because they matter to Jamie. When Peter steals a boy who is too young, Jamie takes the boy under his wing. But Peter won’t have that, for nobody will ever take Jamie from him. Ever. Christina Henry is the author of *Alice* and *Red Queen*, among others.
